Designing Graduate Courses for Integrative Learning:
Theory, Research, Implementation & Assessment
June 19-22, 2013

With Dr. Barb Hooper, Dr. Maralynne Mitcham, Dr. Andrea Bilics, Dr. Wendy Wood, Dr. Steve Taff

COTE’s fourth summer teaching and learning institute will be held in Fort Collins, CO. Participants develop course designs and teaching strategies that explicitly connect course topics to:

- Occupation
- Advanced ways of knowing
- Other learning experiences in the curriculum &
- Practice

Current Research at COTE

- Determining How Occupation is Addressed in Curricula
- The State of Occupational Therapy Education: Initial Mapping Reviews
- Integrative Classroom Processes in OT

Recent Publications from COTE
